

Choose 3 items you think will float and 3 items you think will sink. Draw this chart and fill in the objects by drawing a picture and sounding out the words. Test the objects and write what the result was when you put them in the water.

Predict	Object	Result
float	penny (1¢)	sunk
float	cup 	float
float	feather 	
Sink	ring 	
Sink	grass 	
Sink	pen
