

Thursday September 17th

We have Teams meetings at 8:30, 10:30. And 1:00

We have Reading Groups from 9-10.

8:30 - Morning Meeting Teams

- Preview a book
- What makes us want to read a certain book

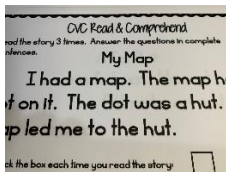

9:00- Reading Centres

1. Meeting with me. Bring CVC chunks sheets and reading book from yesterday. I will call you in on teams when it is your turn to meet.
2. Read to self, real books or online.

3. Play ABC card match or go fish game.

4. Listen to books online or have a parent read to you.
5. Complete CVC work from reading group. Spin and Write it.

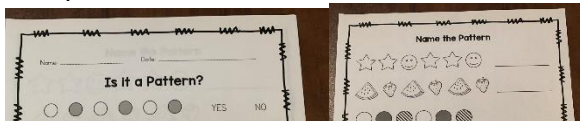

10:00- Snack and Movement Break

10:30- Math Teams Meeting

Review patterns and pattern core.

11:00-

- Complete Math Sheet

- Play pattern games online
<https://generalstewart2.weebly.com/september-math.html>
- Finish Writing Story from yesterday or start a new story using touch, tell, sketch strategy.

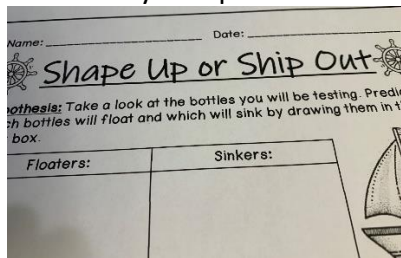

12:00- Lunch and movement break

1:00 – Science Teams Lesson

- We will predict if bottles sink or float
- Conduct an experiment

1:30- Science Work

- Gather 4-5 different containers.
- Predict which will sink or float and record on your sheet.
- Place containers in the water.
- Draw a picture of your containers in the water on your sheet.
- Fill out the conclusion of your experiment. What did the floaters have in common.
- Post on My Blueprint when complete.

2:30 – Exercise – Go to GO Noodle and move!
