- Visit this link [Google Maps Saskatoon](#). It is a link to Saskatoon on Google Maps. With your child, drag the little yellow man onto the streets in the city and compare them to where you live. Then take the little man out to some of the small towns nearby or on to the highways. Walk around a bit and see what Saskatchewan looks like. You will notice how flat the land is in some parts. Contrast this to Alberta. As you visit, take a few notes of what you see. Then later you can add to the 10 things page.
- Visit the travel Saskatoon travel guide page: www.tourismsaskatchewan.com/about-saskatchewan/travel-guides-and-maps
